About Sai Vidya First Grade College

Sai Vidya First Grade College, recognized by the Government of Karnataka and affiliated with Bengaluru City University (BCU), Bengaluru, Karnataka, was founded in 2020 by SRI SAI VIDYA VIKAS SHIKSHANA SAMITHI, a trust established by a group of eminent academicians.

This visionary group intends to establish SVFC as a hub of distinction in management, commerce and computer applications within the coming years. In the near future, SVFC will be at the vanguard of the development of accountants and managers who will guide the industry and commerce. Professors preside over their respective departments and contribute to the expansion of the institution through the assistance of knowledgeable, competent, and committed faculty and non-academic personnel.

Students will develop a commitment to ethics and fairness, a sense of history, an understanding of objectives and principles, a reverence for human ingenuity, and an inquisitive intellect through their education at SVFC. After gaining these experiences, students will be equipped to confront the challenges of a world that is undergoing rapid change.

Why choose us

- A College Promoted by professors.
- Discipline-based, learner-centric

Principal's Message

In 2020, Sai Vidya First Grade College (SVFC) was established. Scholars who are ardent followers of the route taken by the 'Gurus' of ancient India are the brain trust behind Sai Vidya First Grade College. "Team-SVFC" is working to provide the country with an intellectual treasure. Since its founding, the school has demonstrated intelligence and a willingness to change to meet the ever-changing demands of our dynamic educational landscape.

This is the actual sensation that my inner self was able to sense from the minute I joined this Institute. The academic ambiance, student oriented teaching approaches, devoted staff, consistent support for co-curricular activities and campus placements should allow parents to make a good selection. That "SVFC is an Institution by the Teachers for the Students" is something I can promise you with confidence. SVFC is the right location for you if you think that real talents and in-depth knowledge are the foundation of effective management, if you want to achieve more than just success, and if you are sure that you are among the best.

I extend a warm welcome to you to join SVFC on a unique journey to acquire the information that powers your aspirations and is crucial for every successful professional.

- Dr. D Jogish

Students Reviews

The college is a boon for those who seek high colours in their life. This college helped me to gain new skills with different opportunities. The campus environment is really good. Along with the studies I got the opportunity to participate and explore other activities which I developed my confidence. It is a blessing to have a nice college with amazing mentors.
